Parent-child language and integration classes for non-native speakers living in Dürdingen and their preschoolers

- Learn German and hear more about daily life in Dürdingen!
- Meet other people from Dürdingen. Learn and discuss together.
- While playing, your child will learn German and many other new things! They will get to know other children. They will learn to play in a group without their parents.

Classes: September through July while school is in session. No classes during school vacation.

Playgroup during class time: Children will play and learn supervised by two preschool teachers.
